

PROJECT CURE

Event Date/Time:

Tue, Mar 20, 2018 6:00 PM - 9:00 PM

Event Name:

Dnvr - CO Nurses Association District 16

Event Description:

You are invited to Deliver Health and Hope to the World!

We will be sorting medical supplies for those who are in desperate need. This will be a fun, engaging and hands-on experience.

Please use the online registration tool to register for this event.

Also, please keep in mind the following:

- Volunteers are required to wear closed-toe shoes in the warehouse.
- Wear weather-appropriate clothing as it is colder in winters and warmer in summers.
- Please arrive on-time. You will be led by a Volunteer Leader and they will need adequate time to explain to you what will need to be done.
- Our online scheduling system will send an automatic email detailing these requirements three days before your event.

Event Meeting Location:

Project C.U.R.E. Denver warehouse

Project C.U.R.E. 10377 E Geddes Ave Centennial, CO 80112

Before your next volunteer session, please have each member of your group do the following:

1. **Go to <http://vhub.at/1XGGPAJ>**
2. On the calendar, click on your event.
3. Click 'Sign Up' on right hand side
4. **Create an account** by filling out all the required information (you choose username and password, no restrictions) and then click next to fill out all required information
5. Click next to confirm account creation
6. **Read liability release, click "I understand" and click next**
7. You're now registered for your event!

Please ensure that each member of your group completes these steps. If anyone has questions, please have them contact me directly.

Best,

Kelyn Anker
Denver Operations Director

CFC Code: 40111

Instructions for ALL PROJECT CURE VOLUNTEERS: You need to complete your profile and register on the Project Cure system prior to arrival at the warehouse. This is a liability requirement as well as a mechanism for monitoring volunteer hours to assist Project Cure with grant funding and reporting.

Project C.U.R.E. was founded in 1987 to help meet the need for medical supplies, equipment and services around the world. Project C.U.R.E. builds sustainable healthcare infrastructure by providing the medical supplies and equipment that medical personnel need to deliver healthcare to their communities. Since its inception, Project C.U.R.E. has delivered medical relief to needy people in more than 120 countries.
